148 CHILDREN IN FOSTER CARE BECAME PART OF LIFELONG FAMILIES THROUGH ADOPTION.

Since opening our doors in 1980, we have helped over 10,000 children find loving families through adoption. On average, we help 600 children a year find permanency through adoption.

2,470 INDIVIDUAL LIVES WERE ENHANCED THROUGH POST-ADOPTION SUPPORT SERVICES.

Our post-adoption programs provide services in 18 counties, and 100% of families surveyed reported that due to the services we offer, they were successful with maintaining the stability and permanency of the children they had adopted.

126 YOUTHS SERVED IN OUR FAMILY FINDING PROGRAMS.

We conduct an exhaustive search for relatives and other people close to the child in foster care. The goal is to connect children to important people in their life, so they can build relationships and live with someone they know.

41 FAMILIES WERE HELPED THROUGH OUR PREVENTION & EARLY INTERVENTION PROGRAMS.

The goal of Early Intervention is family stabilization. Our mission is to offer families in crisis the alternative to remain safely together, averting the out-of-home placement of children whenever possible.

2,815 KINSHIP FAMILIES RECEIVED SUPPORT THROUGH OUR KINSHIP SUPPORT SERVICES PROGRAMS.

Offering this service to 6 counties allows us to make a meaningful difference in the lives of vulnerable children, helping keep them out of foster care and safely connected to family.

177 CHILDREN IN FOSTER CARE WERE PLACED WITH THEIR RELATIVES.

Children in foster care who are able to remain within the safety net of their extended family experience reduced trauma and are assured a greater opportunity to thrive.
