**57% OF THESE FOSTER CHILDREN WERE PLACED IN THE CARE OF RELATIVES.**

Foster children who are able to remain within the safety net of their extended family experience reduced trauma and are assured a greater opportunity to thrive.

**1,367 KINSHIP FAMILIES RECEIVED ADDITIONAL SUPPORT THROUGH OUR KINSHIP SUPPORT SERVICES PROGRAMS.**

Offering this service to six counties allows us to make a meaningful difference in the lives of vulnerable children, helping keep them out of foster care and safely connected to relatives.

**1,116 INDIVIDUAL LIVES WERE ENHANCED THROUGH POST-ADOPTION SUPPORTIVE SERVICES, INCLUDING FAMILY EVENTS, SUPPORT GROUPS AND TRAININGS.**

Our post-adoption programs provide services in eight counties, and 93% of families responding to our survey reported a decreased level of stress as a result in receiving Lilliput's post-adoption services.

**98 INDIVIDUALS WERE SUPPORTED THROUGH LILLIPUT'S FAMILY THERAPY SERVICES.**

We provide improved therapeutic supports for families formed through kinship care and adoption with our evidence-informed therapists who are working to train and build a stronger network of providers in several communities.
