## Derby Day BUSINESS PARTNERSHIP LEVELS & BENEFITS

### WHAT LILLIPUT DOES FOR THE COMMUNITY

With 66,250 children in California's foster care system, Lilliput is urgently leading the charge to locate and recruit families for these children. Your investment as a Business Partner will help us assure that every child has the opportunity to be part of a safe, nurturing, lifelong family as we engage and support families who have space in their hearts and homes to care for our state's most vulnerable children. For more than 38 years, Lilliput has been a California leader in helping abused and neglected children heal from their traumas and find the stability of family. Since opening our doors, we have completed more than 9,600 adoptions.
